# Maisonette - For Sale - Tarxien

A new corner development located in a quiet residential area of Tarxien, close to all amenities. Being sold on plan, with permits approved and construction already underway. The development offers a selection of one-bedroom, two-bedroom and two-bedroom-plus-study maisonettes, apartments and penthouses. All units are being sold in shell form, with the option to be finished at an additional cost. Optional garages are available at street level and underlying the block and at basement levels -1 and -2. The project is scheduled to be completed in shell form by the end of February 2028, with full completion expected by the end of December 2028. For further information, plans and availability, get in touch today.
