Office Space - For Rent - Sliema

Highly finished office space measuring approximately 630 square meters and situated on the Sliema seafront with views of the Sliema creek and Valletta bastions. Office is finished to very high standards including air-conditioning, security system, CCTV and the option of some furniture. The layout of the office is partitioned but can be changed to suit client's requirements as the office original plan is one big open plan. It has a large back yard and includes two car spaces. Office space is very limited in this busy commercial area making this a very attractive and unique office for perspective clients looking to have a prestigious address. Not to be missed!
