Office Space - For Rent - Ta' Xbiex

This detached villa is located in a prestigious area of Ta' Xbiex overlooking the Pieta Yacht Marina. It has been converted into an office block and has an excellent market value. The office block development consists of a development over 2 floors and a part semi-basement. The part semi-basement is easily accessible from the front garden area and gives access to two relatively small offices. These offices are interlinked to the office block above from a flight of stair leading to the reception area located with the elevated ground floor. The elevated ground floor is accessible from a dominant flight of stairs centrally located leading to the reception area. Five relatively large offices are located at ground floor level, with the second floor housing a further three offices with a director's office/board room being located on the front end of the building. The property also has a semi-basement garage which can easily accommodate six cars.
