House of Character - For Rent - Cospicua

With history preceding the building of Valletta as the new Capital city of Malta in 1566, Cospicua together with Vittoriosa and Senglea are steeped in history with museums and forts as well as amazing views over the Vittoriosa harbour and the renovated waterfront with beautiful restaurants. Access to a foot ferry that travels between Vittoriosa and Valletta across Grand Harbour giving regular access to Malta's historic and beautiful Capital city within walking distance of all shops (including major brands) mini markets, restaurants, bars and cafes, shopping malls, cinema and amenities. Close at hand is the bus station offering bus links all over the island and foot ferry links to Sliema (Malta's shopping capitol) Other points of interest are the beautiful Upper Barrakka Gardens, which offer peace and tranquility in this bustling city and views over Grand Harbour towards the Three Cities, St. John Co-Cathedral and Fort St. Elmo. This lovely townhouse is situated a few seconds away from the sea and newly refurbished with modern furnishings yet still with some original features. Layout is in the form of a separate kitchen and a spare toilet, and a living / dining. Stairs lead to the sleeping quarters where both on the first and second floor one finds a double bedroom, a single bedroom and a bathroom. The second floor also enjoys a sunny terrace. This house is ideal for a family and also for sharing since each floor can be closed for privacy.
