Apartment - For Rent - Kalkara

KALKARA - The apartment is located in Kalkara, the quieter, greener sibling to the Cottonera's Three Cities. Boasting unencumbered views of the Grand Harbour's Kalkara Creek, this property sits comfortably within the village's vibrant seafront piazza. A neighbour to the parish church, it occurs steps away from shops, restaurants and beaches. The building was once home to the American Gem Theatre, a cinema built in the late 1950s. Since then the structure has been retrofitted into a number of apartments, with some of the original steel beams and metre-thick walls still intact. This lovely apartment was once the cinema's top gallery. The crisp interiors aim to compliment the building's modernist architecture. The palette of bianco carrara terrazzo and shades of grey and green serves as a background for an eclectic mix of vintage furniture, authentic arts and designer ornaments. It has a sunny living room with seafront views from its South-facing windows, a sizeable kitchen, and a single bedroom and bathroom. It is fully air-conditioned, top-range kitchen with brand new appliances, TV, landline and Internet services included.
