MSIDA - A nicely furnished semi detached villa situated in an excellent position close to all amenities and yet in a very quite residential area. Property is on four floors. Starting off with a five car garage at basement level. Upon entrance on first floor one finds an nice entrance hall having a living room with functional fire place. A separate kitchen/dining room which at the moment is being used as an office but can as well be converted to another bedroom. A very spacious kitchen and dining room leading on to the pool area and a spare toilet room. On the second floor are the three double bedrooms(main bedroom having an en-suite and a walk in wardrobe). A main bathroom with both a corner bath and a shower. Leading on to the third floor is a washroom and roof. The property enjoys a nice pool area as well as a front patio which can be used as a car port. Property has a lot of potential both for residential and commercial use. Worth viewing !!
