Property also enjoys three large terraces overlooking the swimming pool and the deck area which is ideal for entertaining, a back rock garden, a long drive-way, and a two-car garage. Complimenting this property is an underlying flatlet which has its own private entrance, ideal to be used as an office. This underlying flatlet includes a very bright and spacious hall, a split level open space with wall to wall glass doors, overlooking the views; a large bedroom, a bathroom, a box room, and on a lower level one finds another very spacious bedroom with an en-suite shower, leading to its own private cliff edge terrace with spectacular views.
