Garage (Residential) - For Sale - St Paul's Bay

A selection of one- and two-car garages is available within the basement level of a residential development comprising 48 units. Starting from Eur39,000. With various sizes and layouts to choose from, these garages offer practical options for secure vehicle parking and additional storage. Accessed via a communal vehicle ramp, the garage level is also connected to the residential blocks by passenger lifts and staircases, providing convenient access for residents. An excellent addition to a property within the development, offering the comfort and convenience of private parking. Scheduled to be finished by October 2028. Selling in semi-finished state and optional to be bought in shell form.
