House of Character - For Rent - Gozo - Victoria

VICTORIA - This house has just recently been finished to very high standards using the finest materials and brand new instalments. It is designer-finished and quite unique in its style since it amalgamates a mainly modern concept with a touch of the traditional Maltese masonry (through the successful renovation of century-old walls present in specific sections of the house). It is situated in the old part of the city and is very centrally located, being a stone"s throw away from Pjazza Indipendenza ("Pjazza tat-Tokk") and therefore within short walking distance to all amenities. At the same time it still enjoys a peaceful, quiet and private environment. The 3-storey house has 2-3 bedrooms areas, 4 brand new quality bathrooms (one ensuite), a lovely internal yard, a unique roof terrace enjoying 360% views including the Citadel, two minor terraces and two large landing areas at each level, both of which enjoy good natural light and are very flexible in their use. The open plankitchen and living area which is situated at ground floor level enjoys a very spacious, well-designed and welcoming environment overlooking the internal yard equipped with an attractive modern water feature. The internal yard also comprises a water cistern (well) which supplies all the water for the house. At this level there is also a good-sized entrance hall and a very useful underlying store room/basement..
