Plot - For Sale - Gozo - Xewkija

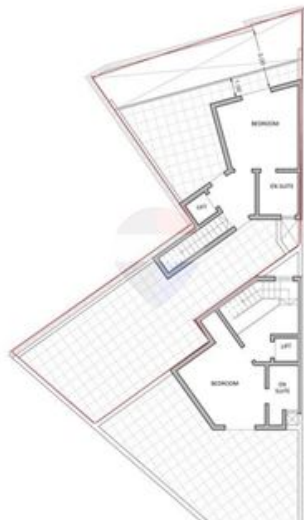

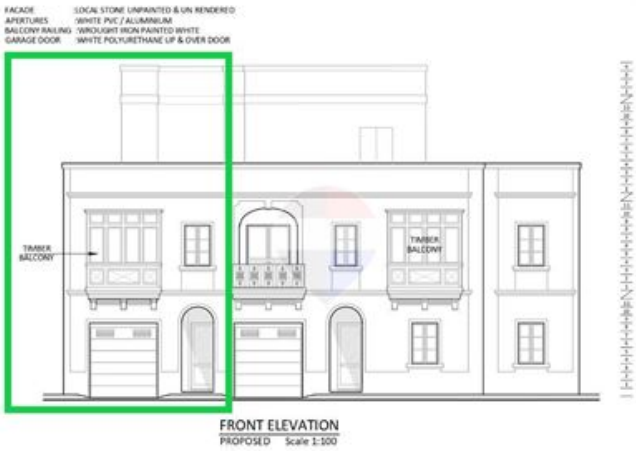

Positioned in the charming village of Xewkija, this unique opportunity comprises a development plot being sold with approved permits and plans for the construction of a house of character. Located within a UCA (Urban Conservation Area), the property enjoys the charm and character associated with one of Gozo's most desirable residential settings. The permit for the house features three bedrooms, four bathrooms, spacious open-plan living area, a lift, a traditional timber balcony, and an eight car street-level garage. The design successfully combines traditional Maltese architectural elements with modern-day living requirements. There is also an option available to have the house built in shell form for an additional payment. This property presents a rare opportunity to fully customise the interior to one's own taste and specifications, while retaining their authentic architectural charm. Ideal as distinctive family residence or as a high-potential investment opportunity. Freehold.
