Agriculture Land - For Sale - Birzebbuga

Agricultural Land (Freehold) A great opportunity to acquire approximately 2,774 sqm of agricultural land—equivalent to nearly 2.5 tumoli—featuring fertile soil and a position that offers beautiful open views. The land is easily accessible by car and not directly on the main road—providing added privacy and reduced visibility. Electricity is close by, making it possible to install a pump room or similar facilities with lower installation costs. The property is enclosed by traditional rubble walls, some areas of which may require minor attention, and it includes a private entrance gate for secure access. Perfect for:

- Cultivating crops and agricultural production
- Enjoying peaceful recreational time with family and friends
- Animal husbandry, including horse stables—thanks to its location close to the sea, you can even take horses down for water training

This land is being sold Freehold, making it a valuable long-term investment. Contact your preferred agent for further details or to arrange a viewing.
