Garage (Residential) - For Sale - Ghaxaq

3 car semi-basement garage. This garage has an advantage of a window on the side, serving both for light and ventilation. The garage is being sold in shell form and with an additional cost of €3,0000 one can have it finished. The entrance ramp to the garage is very comfortable, leading to only 3 other garages, with easy access to enter, also here is ample space in front of the garage to make it comfortable to maneuver the vehicle easily. Additional to this 3 car garage one finds a very spacious storage area beneath the ramp. First preference is that the garage is sold with the above Maisonette MLS -
