Land - For Sale - Safi

Located just outside the peaceful village of Safi, along the route to Hal Far, this expansive 1,613 sqm field presents a rare opportunity to acquire a sizeable plot of land in a serene rural environment. Featuring a wide frontage and convenient vehicular access, the property is ideally suited for use as a recreational space, hobby field, or private outdoor retreat. The land also includes several built rooms that may be utilised according to individual requirements. Surrounded by open countryside, it offers privacy without seclusion, making it perfect for those wishing to enjoy Malta's natural landscape while remaining within easy reach of amenities. A unique opportunity with significant potential—contact us today for further information or to arrange a viewing.
