Garage (Commercial) - For Rent - Birkirkara

Birkirkara - Large basement garage/warehouse spread over one tumolo of land in the central part of Birkirkara. Property was previously used to store food stuff and before that to house a refrigeration unit. Garage/warehouse is split up into sections/rooms, Open arches can easily be closed off to house separate units or as separate garages. A container cannot access through the entrance but inside the property is on 16 courses. Three phase electricity is already installed, multi toilet facility and large yard with two wells. These premises have permits to store food but can also be used for any purpose including split up into various one/two car garages. Property is also available for sale.
