Garage (Residential) - For Sale - Sliema

Sliema - Large garage measuring approximately 200 square meters for sale. The garage forms part of a recently built block and it served with electricity. The garage has very good ventilation and is great for storage. There are eight parking spaces and it can fit twenty to twenty four small cars if needed for storage. Would be ideal for a car rental company. Located near Ballutta bay. Contact your agent to arrange a viewing.
