Garage (Residential) - For Sale - Birkirkara

A selection of well-designed garages is available, offering practical and secure parking or storage solutions, starting from €70,000 and ranging between 15sqm and 33sqm. 1-Car Garages Compact and efficient, ideal for a single vehicle or additional storage. These units typically start from around 15–20sqm, providing enough space for one car with limited extra room for shelving or equipment. Standard single garages are generally around 12–16 ft wide and 20–24 ft deep (approx. 22–35sqm depending on layout). 2-Car Garages A versatile mid-range option, suitable for two vehicles or a combination of parking and storage. Sizes usually range between 20–28sqm, offering increased width and accessibility. Typical dimensions fall between 18–26 ft wide and 20–24 ft deep, allowing comfortable side-by-side parking. 3-Car Garages Spacious units designed for multiple vehicles, workshops, or additional storage needs. These larger garages can extend up to 30–33sqm, providing ample room for three cars or a mix of parking and workspace. Standard layouts are typically around 30–34 ft wide with similar depth to smaller garages.
