Agriculture Land - For Sale - Siggiewi

Located at the outskirts of Siggiewi and surrounded by traditional rubble wall, this fertile agricultural land measuring approximately 3500 SQM, is a canvas of greenery and productivity. The soil in this area of Malta is rich and well-suited for cultivating a variety of crops. With ample sunlight and a gentle breeze, this parcel offers an ideal environment for sustainable farming. Whether you dream of cultivating organic vegetables, establishing a vineyard, or engaging in sustainable agriculture practices, this piece of land provides all you need for your agricultural aspirations. Furthermore, it is easily accessed by any type of vehicle, and it is being sold Freehold. Another field of similar size is also available for EUR 309k. Special discount if purchased together! Call the listing agent for viewing.
