Shop - For Sale - Qormi

Qormi - Set in the heart of San George in a UCA area, this historic structure is currently being operated as a bakery. Upon entrance one is greeted by a large room with stunning arches and a wood burning oven. In the next room one finds an additional two ovens. Up a flight of stairs there is another room with a bathroom and a window on the facade. This property has many classic House of Character features like Kileb. The total internal area is circa 140 square meters. For more information or to book a viewing contact us today.
