House of Character - For Sale - Gudja

Located in the quiet village of Gudja, within a UCA area, this house of character is ideal for buyers looking for a property to renovate and transform into a charming home. The property retains several original features, including stone walls, a "remissa", "kileb", and traditional wooden beams. The current layout consists of a good-sized entrance, a dining room (currently used as a bedroom), a bathroom, and a large kitchen with a high ceiling, all centred around a bright courtyard that fills the home with natural light. A washroom and remissa complete the ground floor. On the upper level, a landing leads to two bedrooms.
