Cafe - For Rent - Ghaxaq

A townhouse with one bedroom in the center of the community of al Ghaxaq. The house is unconverted yet in excellent structural shape. It already has drainage, water, and electrical facilities. This is the perfect property to transform into a business, such as a Class 4D Catering Establishment (Cafeteria, Bistro, or Restaurant) or another type of commercial enterprise. Building an additional level is feasible, and property can be rented provided that a Planning Authority authorization is obtained. We are looking for a reputable, well-established company to acquire this property in order to expand their network of retail locations.
