This well-lit, airy, and spacious 430 SqM terraced house is set in a quiet street in the heart of this prime area. The layout on the ground floor comprises a front patio, a large entrance hallway leading onto the living room with an L-shaped sofa bed with storage and a 50-inch LG smart TV, a guest walk-in shower room with a small yard, a landing area, a spacious dining room, and a separate, fully equipped kitchen with an island, which leads onto a back yard and a well with a pump and a mature tree garden. On the 1st floor, we find a large corridor with another landing area leading onto the three sleeping quarters, one of which has a large front balcony, a guest bathroom, a study room, and a back terrace. On the 2nd floor, there is a spacious washroom with a washing machine and a rooftop with the washing lines. Complimenting this property is an interconnected 2-car garage.
