Beautifully renovated house, having traditional Maltese qualities, such as Maltese tiles and the traditional Maltese wooden beams. Property comprises two bedrooms one main and one guest, as well as one main bathroom, and guest shower. Property is set on three floors, the first of which has a large living dining area, as well as a well lit kitchen. The second floor has the bedrooms and main bathroom, and the last floor has the washroom and a very large roof area. Be the first to acquire this one of a kind property, very few such properties are still found in this area. Great property at a great price.
