Apartment - For Rent - Bugibba

QAWRA - This apartment is offered to guests wishing to enjoy the beauty of our country and its culture, and especially our generally good weather. The apartment is especially suited to small families who seek to spend a short and relaxed holiday. This property comprises of two bedrooms (main with an en-suite bath), a kitchen/dining room and a sitting room separated by a stylish arch. A long balcony joining the sitting room and front bedroom overlooks Tourists Road. Partial sea view from the backside. Roof top with splendid panoramic view. Being situated on the third floor and as there is no lift facility, the apartment may not be suited to elderly people although they are most welcome as our guests if they can cope with a flight of stairs higher than normally expected. In a positive contrast, the fact that the apartment is on the third/top floor enjoys the advantages of clean air and fresh breeze from the sea as well as the view of the bay and of St.Paul's Islands from the back windows of the apartment.
