Cafe - For Rent - Valletta

The small bar with colourful stories of naughty pleasures will retain both its original size and mission: although perhaps on different guilt scales. Set on two floors - one for serving and the other for storage & utilities - we are proposing a busy ice-cream & candy spot where once again quality and proficiency will be its main tenants. The focus is on natural & organic ingredients, and the interiors should follow suit. Soft lighting, natural timberwork & smart signage will be as important as the packaging and branding situated at this renown street, project set to vibe the City of Valletta.
