Restaurant - For Rent - Gzira

GZIRA - A restaurant (4D Permit) located in a highly trafficked area in Gzira. This property is currently shell, and is found on a corner that features a lot of natural light. Upon entering this restaurant, one is welcomed by a large open area which can easily accommodate a large number of tables, as well as a service counter/bar. One may also under the property one can find a few Mediterranean rooms which can either be used as a kitchen, or as potential office or cellar space depending on the requirements of the business. It is also worth noting that outside the properties front entrance there are already permits in hand to place more tables. Must be seen!
