# Garage (Residential) - For Sale - Sliema

Excellent located close to the polyclinic in Gzira. A basement, spacious 2 car garage measuring 50 square meters has just become available. The property has a manual garage door, and a back window for some added air and light. Property is highly recommended as it is located in a garage complex in an area where parking is at a premium. This is a rare find in this busy location. Freehold Contact your preferred RE/MAX Agent for more information.
