House of Character - For Sale - Zebbug

Tucked away in the heart of Zebbug, this 500 year old charming House of Character offers a rare blend of traditional features, generous space, and flexible living options. The property enjoys two separate entrances, a main door and a side access, adding both practicality and potential for independent use. Upon entering, you are welcomed into a series of interconnected living spaces, including a sitting room, living area, and a spacious kitchen and dining zone, all centered around a private internal courtyard that brings natural light and character into the home. At ground floor level, there is also a guest toilet and an additional overlying room accessed by a staircase. The basement level is a standout feature, offering three large rooms full of potential. One of these rooms retains beautiful original features, including a well and an old stone oven, making it ideal for a unique entertaining space or wine cellar. The remaining rooms are currently used as a study and a bedroom, but can easily be adapted to suit different needs. The upper floor is accessed via a striking staircase, leading to three double bedrooms. The first bedroom enjoys its own en-suite, while the second bedroom offers the possibility to be reconfigured with the opening of a doorway and window onto the corridor. The third bedroom, currently used as the master, is a large space that opens onto a sizable outdoor area, ideal for relaxing or entertaining. At roof level, there is further space with potential for additional outdoor use. Complementing the property is a spacious two-car garage. Additionally, there is the opportunity to convert part of this area into a one-bedroom studio maisonette, which also connects to an underlying shelter, adding yet another unique element to this home. This is a property that offers more than just space. It offers flexibility, character, and the opportunity to create a truly special residence in one of Malta's most sought-after villages.
