Garage (Residential) - For Sale - Fgura

FGURA – GARAGES FOR SALE – Situated at basement level beneath a newly built and exclusive residential development consisting of only five units, these newly constructed garages form part of a high-quality project located on a wide and well-positioned street in Fgura, close to all everyday amenities and main access routes. The development comprises one residence per floor, with apartments and penthouse being offered highly finished, ensuring an attractive and well-planned residential environment throughout. The property further benefits from a wider-than-usual façade, enhancing both accessibility and overall appeal. Preference will be given primarily to purchasers acquiring one of the residences within the development, although remaining garages may subsequently be considered available separately, subject to availability. Contact the agent for further details and to schedule a viewing appointment.
