Located in the heart of Rabat UCA, just meters from St. Paul's Church, this beautifully restored townhouse blends Arab-era and post-World War II architectural influences. Thoughtfully modernized, it retains its traditional charm with exposed wooden beams, an antiporta, a Maltese balcony, and original patterned tiles. The home features 3 bedrooms, 3 bathrooms, and a lush garden, along with a newly fitted kitchen equipped with modern appliances, including a dishwasher. Additional spaces include a home office, workshop, and storage rooms, while a well and a usable roof add to its unique character.
