Farmhouse - For Sale - Zebbug

ZEBBUG - Enjoying the panoramic views from this outstanding, unconverted FARMHOUSE situated on the outskirts of this city which was given its status by Grand Master de Rohan in the 1700s. A civilization enriched by farmers and architects who designed some of the most notorious and majestic buildings in Malta. A disused farmhouse including eleven rooms, two courtyards and surrounded by high walls offers a mix of older building structures and more modern ones with a facility for a garage and services installed. The farmhouse includes one (1) tumolo of land with a possibility to acquire another two (2) tumoli abutting on to the road. Once converted, this unique house would make a great home. (Freehold).
