Shop - For Rent - Valletta

Valletta - Market stalls in the most busiest market in Malta, these stalls measure 6" x 10" each. The Valletta Sunday Market is a very popular open air market that is open every Sunday. This market attracts both locals as well as tourists from all over Malta who come to experience this buzzing market. Please note that due to the works being carried out at the City Gate in Valletta the market has been moved to Floriana which is very close by. There are many stands selling different things such as clothes, DVD's and souvenirs; however, you can also find very interesting antique items and hand-made table cloths and crafts.
