Office Block - For Rent - St Julian's

ST.JULIAN'S - This development has 8 floors (including ground floor) and two underground levels. The ground floor level includes commercial outlets, whilst the rest of the floors are to be used as an office space. The floors can be rented out as a whole or separately in different sizes, according to the specifications of the tenant, subject to availability. This building also includes parking spaces at different prices per annum, depending if one chooses the underground parking or the surface parking. The area is being offered in shell and core state, however the developer will be able to finish off the area to the tenants' specifications. In this case a detailed fit and specifications of the tenants requirements will be needed so as to be able to offer a relative bills of quantity for such works. In the event that a tenant opts for a minimum 4 (four) years di fermo, owner on his part will invest in raised flooring from his end. The tenant will be charged the consumption of utilities based on the usage recorded from individually installed utility meters, at established utility rates. An administrative charge of 10% will be charged for administration purposes. Other services such as finishing of office space in accordance with tenant design, provision of PABX services, provision of virtual office services, internal and external signage (subject to availability/planning permits), internal office cleaning, maintenance and other operational services and internal office ICT and data services, can be provided at an additional charge. One of a kind! Viewings are highly recommended!
