Cafe - For Sale - Gzira

An entrepreneurial dream in the form of a low-cost franchise opportunity Street Fruit Juice franchise for a take away concept and meeting in the open air. With a production of fresh smoothies one can start one's own business devoted to healthy street food, offering customers healthy, innovative, organic products. In a time where people have become increasingly aware of their health, Street Fruit Juice Ltd is part of a rapidly growing context offering juices, smoothies, centrifuges and much more. One has been able to keep up with the market evolution and customer needs collaborating to a high quality lifestyle.
