Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these six well-designed warehouse units offer a flexible and practical solution for businesses seeking efficient space in a strategic location. With sizes ranging from approximately 326 sqm to 447 sqm, the units cater to a variety of operational needs, including storage, distribution, and light industrial use. Each unit is designed with functionality in mind, featuring efficient layouts that maximise usable space and support smooth day-to-day operations. The properties can be leased individually or combined to form a larger, continuous floor plate, providing excellent flexibility for businesses requiring expanded capacity. Situated in a prime location close to the airport and with easy access to main arterial roads, these warehouses offer outstanding connectivity, making them particularly suitable for logistics operators and companies reliant on efficient transport links. Key features include a range of unit sizes, the option to lease multiple units or the entire floor, and layouts that prioritise usability and operational efficiency. Overall, these warehouse units present an excellent opportunity for businesses looking to establish or expand within a high-demand commercial area, offering adaptability, convenience, and strong logistical advantages.
