Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these expansive warehouse units offer an excellent opportunity for businesses requiring larger operational space within a strategic and well-connected location. With unit sizes ranging from approximately 385 sqm to 585 sqm, they provide a broader footprint ideal for companies seeking efficiency, scalability, and long-term growth potential. Designed with flexibility in mind, the units can be leased individually or seamlessly combined to create a larger, unified facility. This allows tenants to adapt the space according to their evolving operational requirements, making it an ideal solution for both growing businesses and established operators. Located close to the airport and key transport routes, the warehouses benefit from excellent accessibility, making them perfectly suited for warehousing, distribution, logistics, and light manufacturing operations. The layouts are practical and highly functional, ensuring maximum usability and smooth day-to-day workflow. Key highlights include generous unit sizes, flexible leasing configurations, and the ability to expand within the same development. The overall design prioritises operational efficiency while supporting business growth and consolidation. This is a prime opportunity for companies looking to establish or expand within a key logistics corridor, offering space, flexibility, and strategic positioning in one comprehensive package.
