Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these larger warehouse units present an outstanding opportunity for businesses requiring expanded operational space within a strategic and well-connected location. Ranging in size from approximately 385 sqm to 585 sqm, the units offer a broader footprint ideal for companies looking to scale their operations efficiently. Designed with flexibility at their core, the warehouses can be leased individually or combined to form a larger, unified facility, allowing tenants to adapt the space in line with evolving business needs. This makes them particularly suitable for companies planning growth, consolidation, or long-term expansion. Situated close to the airport and key transport routes, the property benefits from excellent accessibility, making it ideal for warehousing, distribution, logistics, and light manufacturing operations. The layouts are functional and optimised for usability, ensuring smooth workflows and efficient day-to-day operations. Key highlights include generous unit sizes, flexible leasing options, and the ability to scale within the same development. The design prioritises practicality while supporting business growth and operational efficiency. Overall, this is a prime opportunity for operators seeking adaptable, well-located warehouse space within a high-demand logistics corridor, offering both flexibility and long-term potential.
