Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these larger-scale warehouse units offer an excellent opportunity for businesses requiring increased operational capacity within a strategic and well-connected location. With unit sizes ranging from approximately 385 sqm to 585 sqm, the development caters to companies seeking more expansive and versatile commercial space. Designed with flexibility in mind, the units can be leased individually or seamlessly combined, allowing tenants to create a larger, unified facility as their business grows. This adaptability makes the property particularly suitable for companies planning expansion or consolidation within a single location. Ideally positioned close to the airport and key transport routes, the warehouses benefit from excellent accessibility, making them ideal for warehousing, distribution, logistics, and light manufacturing operations. The layouts are functional and efficient, ensuring smooth day-to-day operations while maximising usable space. Key highlights include flexible leasing options, generous unit sizes, and the ability to scale operations within the same development. The design supports practicality and ease of use, catering to businesses focused on efficiency and growth. Overall, this is a prime opportunity for companies looking to establish or expand within a key logistics corridor, offering space, flexibility, and strategic positioning in one comprehensive solution.
