Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these well-located and efficiently designed warehouse units offer an excellent opportunity for businesses seeking practical, flexible, and scalable commercial space in a high-demand area. With sizes ranging from approximately 333 sqm to 469 sqm, the units provide manageable yet highly functional spaces suitable for a wide range of operations. Each unit is thoughtfully laid out to ensure maximum usability, making them ideal for storage, distribution, logistics, or general operational use. The option to combine multiple units allows tenants to create a larger, unified facility, offering flexibility to adapt the space according to evolving business needs. Strategically positioned close to the airport and major transport links, these warehouses benefit from excellent accessibility, making them particularly attractive for SMEs, logistics operators, and import/export businesses requiring efficient connectivity. Key advantages include six available units, flexible configurations, and layouts designed to support smooth and efficient day-to-day operations. The possibility of expansion through merging units further enhances the long-term value and versatility of the property. Overall, this development presents a smart and adaptable solution for businesses looking to establish or expand within a prime commercial location, combining convenience, functionality, and growth potential in one offering.
