Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these modern and strategically located warehouse units offer an excellent opportunity for businesses seeking efficient, flexible, and well-sized commercial space. With unit sizes ranging from approximately 333 sqm to 469 sqm, they provide practical and manageable layouts without compromising on location or accessibility. Designed to maximise usability, each unit is ideal for a range of operations including storage, distribution, and general business use. The option to combine multiple units allows for the creation of a larger, customised facility, giving tenants the flexibility to adapt the space according to their operational needs and future growth. Situated in a prime area close to the airport and major transport links, these warehouses ensure excellent connectivity, making them particularly suitable for SMEs, logistics companies, and import/export businesses. Key advantages include a selection of six available units, flexible configurations, and efficient layouts that support smooth day-to-day operations. The possibility to merge units further enhances the versatility and long-term value of this offering. Overall, this development presents a smart and adaptable solution for businesses looking to establish or expand within a high-demand commercial location, combining convenience, functionality, and scalability in one opportunity.
