Warehouse - For Rent - Mqabba

MQABBA - WAREHOUSE these well-positioned warehouse units offer a practical and flexible solution for businesses seeking efficient space in a strategic location. Ranging in size from approximately 333 sqm to 469 sqm, the units are ideal for a variety of commercial uses, including storage, distribution, and general operations. Each unit is designed with usability in mind, featuring layouts that maximise space efficiency and allow for smooth day-to-day operations. With six units available, there is also the option to combine multiple units, creating a larger, unified facility tailored to specific business requirements. Situated in a prime location close to the airport and major transport links, these warehouses provide excellent accessibility, making them particularly suitable for logistics operators, import/export businesses, and small to medium enterprises. Key advantages include flexible unit sizes, the possibility of expansion through merging units, and well-designed spaces that support operational ease and efficiency. Overall, this development presents a smart and versatile opportunity for businesses looking to establish or expand within a high-demand commercial area, offering both convenience and adaptability in one package.
