Self Storage - For Sale - Kalkara

If you own a boat it is very important to keep it safe and protected when Winter comes. The climate in Malta, even though it is very pleasant for boats in Summer, it can lead to a range of problems in Winter when it comes to leave your boats out in the open sea. From hails to storms and strong winds, the Maltese climate can be too harsh for boats and yachts out in the open during the cold winter months. This Boat Yard of 8,000sqm is for sale together with a Bungalow of 300sqm which is located in the front of the Boat Yard. Viewing is recommended. Call agent for viewing..
