Office Block - For Rent - Sliema

SLIEMA – This historical townhouse is one of the last remaining, unspoiled landmarks in Sliema. It has been expertly converted into an exceptional office block and restored to the highest standards, including marble flooring, lights, plumbing, lift, A/C units and much more. The property is full of light due to its corner position and unique architectural features and design. One enters into a lovely octagonal hall leading to the double height center of this building, which enjoys plenty of natural light from its skylight. From this space one enjoys an impressive staircase which goes around the offices and a door which leads onto a back yard. Upstairs there are further offices, all full of light from their individual balconies. At roof level one finds a kitchenette, leading onto a spacious roof terrace, with wooden decking and fitted metal railing. Property is further complimented with three parking spaces.
