Showroom - For Rent - Birkirkara

Superbly situated commercial block spread out on 5 floors +1 intermediate Floor With lifts. This property is fantastic for many a reason but what stands out more apart from being in the most prominent location is that its square layout lets the space be maximized to the very best effect with a minimal number of columns. It was originally designed to have the showroom on the ground floor exploiting its strong point with maximum exposure, having a wide-fronted display, there is a ramp that leads to the first floor which could be split with parking and offices and another floor dedicated to offices. To be Rented as a whole building & offered in a finished state. Currently being built & completion date is December 2021.
