Balzan -This Corner villa modeled on the Regency period which makes it a classical stately home offering a lavish layout and landscaped gardens. A front patio welcomes you to a double-fronted home with a large bright hallway leading to a formal sitting room, dining room, and a separate living room. A beautiful dining room with Carrara marble flooring leads onto a terrace, and a fully equipped kitchen leads onto two landscaped verandahs that eventually take you to the large pool and mature citrus gardens. A stately staircase takes you up to the first floor enjoying 4 large bedrooms, three spacious terraces a study, and 2 newly refurbished bathrooms. The pool area also has its own Summerhouse with a kitchenette and bathroom. Underlying the villa is a separate underlying flatlet with 5 large rooms ideal as an office, games room or for accommodation.
