Mosta - New on the market and exclusive to Remax - A commercial premises having an approx. area of 165 mtrs ² on the ground floor forming part of a complex spread over 5 floors, is being offered for sale or for lease. Various options are being proposed including the sale / lease of the whole complex or the sale / lease of individual floors. The complex which is located in the most strategic position of Mosta''s main road offers immense possibilities vis-a- vis maximum exposure to passing trade. Its location ensures that whatever products / services are offered in this complex cannot go unnoticed to the thousands of potential clients using this main artery whether they are on foot, using their private vehicles or travelling by public transport. This complex is already equipped with a lift, air conditioning, bathroom facilities etc. etc. and the owners will commit themselves to try and accommodate the needs of the prospective clients. Such complexes are rather hard to come by especially with such an excellent location.
