Showroom - For Rent - Mriehel

MRIEHEL- Prime Location , A great business venture ! A great opportunity to rent this large office space in the best part of the Mriehel industrial estate, enjoying country views from the front part. The facade of the building will be done up to high standards, also having large glass windows. The property is 600sqm per floor. Ac's will be put throughout the office space and the office can be done in either a large open plan layout or as separate offices depending on the requirements of the tenant. The common areas including the lifts will be finished also, and one can discuss about the finishing of the floor space itself. The building has 2 floors of underlying garages which are to be distributed evenly to the occupants of the building depending on the area they are leasing and available spaces, free of charge. This showroom has the option to make an intermediate floor in it itself making it have more usable area to work in. Great property well worth looking into and well priced.
