Apartment - For Sale - Ghaxaq

A new residential development offering a selection of maisonettes, apartments and duplex penthouses, with optional garages available. The units are being sold on plan and in shell form, with permits already approved. Buyers also have the option to have their unit finished at an additional cost, according to their requirements. The development is scheduled to be completed in shell form by the end of December 2027, with the facades and common areas fully finished by September 2028. For further information, floor plans and availability, contact your preferred RE/MAX agent.
